# San Clemente Military Family Outreach

*We assist military families that have urgent needs not being met by military resources.*

## *Our Mission*

*SCMFO's mission is to provide emergency assistance to young (primarily E6 or below) military families. We respond promptly to requests for financial or material aid, as well as conducting seasonal morale projects for military families within the community served. SCMFO partners with other non-profit organizations, churches of all faiths, service clubs, businesses, veterans' groups, and caring individuals to accomplish our mission. Families in crisis find a safety net at SCMFO - in 2022 more than \$120,000 was given as direct assistance to military families. Emergencies include providing diapers, food, clothing, gas, car repairs, medical/dental expenses, and funds for emergency travel and other unexpected financial challenges. Additionally, recent morale events were held for families that included a baby shower for 40 moms, and our annual Thanksgiving meal giveaway, distributing 1000 turkeys! Check out our website for more details and upcoming events.*
